Steven likes Stacey because she's a pretty, trendy girl. What makes us feel good about ourselves? Well, one thing is our clothes. They can be cheap or expensive, but when we think that we look nice, we feel more confident.

When teenagers look at clothes from forty or fifty years ago, they can't imagine wearing them today – **they** look so funny! Styles change from year to year: skirts are shorter or longer, trousers are baggier or tighter and tops are bigger or smaller than before.

In the seventies, women's shoes were too high to walk in properly and they weren't comfortable enough to wear all day long. They soon went out of fashion, but then the craziest thing of all happened – they came back into fashion twenty years later!

Look around you today. Your clothes probably seem normal now but in the future they might look strange. What will be in fashion in another twenty years time?
